City Manager's Report

Thanks to Councilmen Knobloch and Rech and Attorney Derek Cusick for volunteering to help draft the rules for use of the Activity Room and Kitchen.

Web site:

A portion of the web site failed to work today. We are researching and trying to find the issue and have it corrected. I will likely recommend advertising to find a company to overhaul the web site and develop a better host arrangement by the next meeting.

911-addressing:

In trying to get an address for the new assisted living facility I learned that the City will need to begin assigning addresses. The POA has been assigning residential addresses only, the County only assigns

addresses to structures outside of municipalities, and neither entity is assigning addresses to commercial businesses in Diamondhead. Further, the POA Manager suggested that the City begin doing all addressing within the City. Holly will be working with Darrell Kinchen of the POA to facilitate a smooth transition.

**Town Green Holiday event:**

The City will host its very first Christmas celebration this Friday beginning at 6:00 pm. A lot of effort by City staff has gone into making this a quality event. As you know, a shoestring budget was established to kick start the effort. Our folks have stretched dollars, and dug through their attics to donate lights and decorations to make City Hall reflect a holiday appearance. It's shaping up to be a nice celebration and I hope you will encourage your friends and neighbors to come out and enjoy the event.

**DWSD appointments:**

Yesterday, the Hancock County Board of Supervisors appointed Mr. Dick Nolan to serve the unexpired term of Karen Sites on the Diamondhead Water & Sewer District Board of Commissioners. This appointment came after the Mayor asked for swift action on the vacancy and Councilman Lopez presented the Resolution recommending Mr. Nolan to the Board of Supervisors. Secondly, I received a copy of the order from the Hancock County Board of Supervisors and hereby make public the appointment of the Honorable Mayor Tommy Schafer to the DWSD Board of Commissioners. Congratulations to both of them.

Captain Al Hermann provided the police department report for the period November 1 – 30, 2014.
